

SUNTUKAN SA BEL GAME MANUAL

BY: HANNAH LEI BANIQUED AND JULIE ANN XYRENE LALIMARMO

Suntukan sa Bel is a fast-paced PVP fighting game set in the middle of the Bellarmine Field. Two players enter the arena and engage in intense combat, launching kicks and punches to score points. The action is relentless, with each strike contributing to the player's score. The player who gets to score 100 first wins. Strategy, speed, and precision are key in this adrenaline-pumping battle for supremacy in Bellarmine.

PLAYER ENTRY:

The players will be shown the start screen where they will have the option to either start or exit the game.

STARTING MATCH:

The game starts once both players have entered the game.

MOVEMENT CONTROLS:

For movements of the players, click W to jump, A to go left, and D to go right.

COMBAT CONTROLS:

For attacking, players will have the option to launch a kick (by pressing key K) or a punch (by pressing key P).

SCORING SYSTEM:

Players will gain points whenever they launch a successful attack, which means that the attack was able to hit the enemy.

WINNER OF THE GAME:

The player who gets to a score of 100 first wins.

HOW TO PLAY THE GAME?

- (1) Launch the game.
- (2) Press 'Start' if you want to enter the game, and press 'Exit' if you want to quit.
- (3) Press 'A' to go to the left, press 'D' to go to the right, and press 'W' to jump.
- (4) Press 'P' to launch punches on your enemy, and press 'K' for kicks.
- (5) Launch as many attacks as possible while avoiding the attacks of the enemy.
In other words, try to acquire as many points as possible while giving the enemy less chances at gaining points.
- (6) The player who gets to score 100 first wins.
